

# Informační list výrobku

COMMISSION DELEGATED REGULATION (EU) 2019/2013 with regard to energy labelling of electronic displays

|     | Parameter  | Parameter or value and precision |   |     | Jednotka        |
|-----|--|----------------------------------|---|-----|-----------------|
| 1.  | Supplier's name or trademark.  | ORAVA                            |   |     |                 |
|     | Supplier's address.  | -                                |   |     |                 |
| 2.  | Identifikační značka modelu  | LT-842 LED A140C                 |   |     |                 |
| 3.  | Třída energetické účinnosti u standardního dynamického rozsahu (SDR)   | F                                |   |     |                 |
| 4.  | On mode power demand in SDR  | 32,0                             |   |     | W               |
| 5.  | Třída energetické účinnosti v režimu vysoce dynamického rozsahu (HDR)  | n.a.                             |   |     |                 |
| 6.  | On mode power demand in HDR, if implemented  | n.a.                             |   |     | W               |
| 7.  | Off mode, power demand, if applicable  | n.a.                             |   |     | W               |
| 8.  | Standby mode power demand, if applicable   | n.a.                             |   |     | W               |
| 9.  | Networked standby mode power demand, if applicable   | n.a.                             |   |     | W               |
| 10. | Kategorie elektronického displeje  | -                                |   |     |                 |
| 11. | Poměr stran  | 16                               | : | 9   |                 |
| 12. | Screen resolution  | 1 366                            | x | 768 | pixels          |
| 13. | Úhlopříčka obrazovky   | 80,0                             |   |     | cm              |
| 14. | Úhlopříčka obrazovky   | 32                               |   |     | palců           |
| 15. | Viditelná plocha obrazovky   | -                                |   |     | dm <sup>2</sup> |
| 16. | Použitá technologie panelů   | LED LCD                          |   |     |                 |
| 17. | Dostupné automatické ovládání jasu (ABC)   | Ne                               |   |     |                 |
| 18. | Dostupný snímač pro rozpoznávání hlasu   | Ne                               |   |     |                 |
| 19. | Dostupný detektor přítomnosti v místnosti  | Ne                               |   |     |                 |
| 20. | Image refresh frequency rate (default)   | -                                |   |     | Hz              |
| 21. | Minimum guaranteed availability of software and firmware updates (from the date of end of the placement on the market) | -                                |   |     | Years           |
| 22. | Minimum guaranteed availability of spare parts (from the date of end of the placement on the market)                   | -                                |   |     | Years           |
| 23. | Minimum guaranteed product support   | -                                |   |     | Years           |
|     | Minimum duration of the general guarantee offered by the supplier  | -                                |   |     | Years           |
| 24. | Typ napájení   | Vnitřní                          |   |     |                 |
| 25. | External power supply (non standardized and included in the product box)   |                                  |   |     |                 |
|     | <i>i</i>   | -                                |   |     |                 |
|     | <i>ii</i>  | Vstupní napětí                   | - |     | V               |
|     | <i>iii</i>   | Výstupní napětí                  | - |     | V               |
| 26. | External standardised power supply (or suitable one if not included in the product box)                                |                                  |   |     |                 |

|            |                                      |   |    |
|------------|--------------------------------------|---|----|
| <i>i</i>   | -                                    |   |    |
| <i>ii</i>  | Požadované výstupní napětí           | - | V  |
| <i>iii</i> | Required delivered current (minimum) | - | A  |
| <i>iv</i>  | Požadovaný kmitočet proudu           | - | Hz |

# Product Information Sheet

COMMISSION DELEGATED REGULATION (EU) 2019/2013 with regard to energy labelling of electronic displays

|     | Parameter  | Parameter or value and precision |   |     | Unit            |
|-----|--|----------------------------------|---|-----|-----------------|
| 1.  | Supplier's name or trademark.  | ORAVA                            |   |     |                 |
|     | Supplier's address.  | -                                |   |     |                 |
| 2.  | Model identifier   | LT-842 LED A140C                 |   |     |                 |
| 3.  | Energy Efficiency Class for Standard Dynamic Range (SDR)   | F                                |   |     |                 |
| 4.  | On mode power demand in SDR  | 32,0                             |   |     | W               |
| 5.  | Energy Efficiency Class for High Dynamic Range (HDR)   | n.a.                             |   |     |                 |
| 6.  | On mode power demand in HDR, if implemented  | n.a.                             |   |     | W               |
| 7.  | Off mode, power demand, if applicable  | n.a.                             |   |     | W               |
| 8.  | Standby mode power demand, if applicable   | n.a.                             |   |     | W               |
| 9.  | Networked standby mode power demand, if applicable   | n.a.                             |   |     | W               |
| 10. | Electronic display category  | -                                |   |     |                 |
| 11. | Size ratio   | 16                               | : | 9   |                 |
| 12. | Screen resolution  | 1 366                            | x | 768 | pixels          |
| 13. | Screen diagonal  | 80,0                             |   |     | cm              |
| 14. | Screen diagonal  | 32                               |   |     | inches          |
| 15. | Visible screen area  | -                                |   |     | dm <sup>2</sup> |
| 16. | Panel technology used  | LED LCD                          |   |     |                 |
| 17. | Automatic Brightness Control (ABC) available   | No                               |   |     |                 |
| 18. | Voice recognition sensor available   | No                               |   |     |                 |
| 19. | Room presence sensor available   | No                               |   |     |                 |
| 20. | Image refresh frequency rate (default)   | -                                |   |     | Hz              |
| 21. | Minimum guaranteed availability of software and firmware updates (from the date of end of the placement on the market) | -                                |   |     | Years           |
| 22. | Minimum guaranteed availability of spare parts (from the date of end of the placement on the market)                   | -                                |   |     | Years           |
| 23. | Minimum guaranteed product support   | -                                |   |     | Years           |
|     | Minimum duration of the general guarantee offered by the supplier  | -                                |   |     | Years           |
| 24. | Power supply type  | Internal                         |   |     |                 |
| 25. | External power supply (non standardized and included in the product box)   |                                  |   |     |                 |
|     | <i>i</i>   | -                                |   |     |                 |
|     | <i>ii</i>  | Input voltage                    |   |     | - V             |
|     | <i>iii</i>   | Output voltage                   |   |     | - V             |
| 26. | External standardised power supply (or suitable one if not included in the product box)                                |                                  |   |     |                 |

|            |                                      |   |    |
|------------|--------------------------------------|---|----|
| <i>i</i>   | -                                    |   |    |
| <i>ii</i>  | Required output voltage              | - | V  |
| <i>iii</i> | Required delivered current (minimum) | - | A  |
| <i>iv</i>  | Required current frequency           | - | Hz |

| 3.  | Klasa efektywności energetycznej dla standardowego zakresu dynamicznego (SDR)  | F                                |   |     |                 |
| 4.  | On mode power demand in SDR  | 32,0                             |   |     | W               |
| 5.  | Klasa efektywności energetycznej dla szerokiego zakresu dynamicznego (HDR)   | n.a.                             |   |     |                 |
| 6.  | On mode power demand in HDR, if implemented  | n.a.                             |   |     | W               |
| 7.  | Off mode, power demand, if applicable  | n.a.                             |   |     | W               |
| 8.  | Standby mode power demand, if applicable   | n.a.                             |   |     | W               |
| 9.  | Networked standby mode power demand, if applicable   | n.a.                             |   |     | W               |
| 10. | Kategoria wyświetlacza elektronicznego   | -                                |   |     |                 |
| 11. | Format obrazu  | 16                               | : | 9   |                 |
| 12. | Screen resolution  | 1 366                            | x | 768 | pixels          |
| 13. | Przekątna ekranu   | 80,0                             |   |     | cm              |
| 14. | Przekątna ekranu   | 32                               |   |     | cale            |
| 15. | Widoczna powierzchnia ekranu   | -                                |   |     | dm <sup>2</sup> |
| 16. | Zastosowana technologia panelu   | LED LCD                          |   |     |                 |
| 17. | Dostępność funkcji automatycznej regulacji jasności (ABC)  | Nie                              |   |     |                 |
| 18. | Dostępność czujnika rozpoznawania mowy   | Nie                              |   |     |                 |
| 19. | Dostępność czujników obecności w pomieszczeniu   | Nie                              |   |     |                 |
| 20. | Image refresh frequency rate (default)   | -                                |   |     | Hz              |
| 21. | Minimum guaranteed availability of software and firmware updates (from the date of end of the placement on the market) | -                                |   |     | Years           |
| 22. | Minimum guaranteed availability of spare parts (from the date of end of the placement on the market)                   | -                                |   |     | Years           |
| 23. | Minimum guaranteed product support   | -                                |   |     | Years           |
|     | Minimum duration of the general guarantee offered by the supplier  | -                                |   |     | Years           |
| 24. | Typ zasilacza:   | Wewnętrzny                       |   |     |                 |
| 25. | External power supply (non standardized and included in the product box)   |                                  |   |     |                 |
|     | <i>i</i>   | -                                |   |     |                 |
|     | <i>ii</i>  | Napięcie wejściowe               | - |     | V               |
|     | <i>iii</i>   | Napięcie wyjściowe               | - |     | V               |

|            |   |   |    |
|------------|---|---|----|
| 26.        | External standardised power supply (or suitable one if not included in the product box) |   |    |
| <i>i</i>   | -   |   |    |
| <i>ii</i>  | Wymagane napięcie wyjściowe   | - | V  |
| <i>iii</i> | Required delivered current (minimum)  | - | A  |
| <i>iv</i>  | Wymagana częstotliwość prądu  | - | Hz |

# Informačný list výrobku

COMMISSION DELEGATED REGULATION (EU) 2019/2013 with regard to energy labelling of electronic displays

|     | Parameter  | Parameter or value and precision |   |     | Jednotka        |
|-----|--|----------------------------------|---|-----|-----------------|
| 1.  | Supplier's name or trademark.  | ORAVA                            |   |     |                 |
|     | Supplier's address.  | -                                |   |     |                 |
| 2.  | Identifikačný kód modelu   | LT-842 LED A140C                 |   |     |                 |
| 3.  | Trieda energetickej účinnosti pre štandardný dynamický rozsah (SDR)  | F                                |   |     |                 |
| 4.  | On mode power demand in SDR  | 32,0                             |   |     | W               |
| 5.  | Trieda energetickej účinnosti pre vysoký dynamický rozsah (HDR)  | n.a.                             |   |     |                 |
| 6.  | On mode power demand in HDR, if implemented  | n.a.                             |   |     | W               |
| 7.  | Off mode, power demand, if applicable  | n.a.                             |   |     | W               |
| 8.  | Standby mode power demand, if applicable   | n.a.                             |   |     | W               |
| 9.  | Networked standby mode power demand, if applicable   | n.a.                             |   |     | W               |
| 10. | Kategória elektronického displeja  | -                                |   |     |                 |
| 11. | Pomer strán  | 16                               | : | 9   |                 |
| 12. | Screen resolution  | 1 366                            | x | 768 | pixels          |
| 13. | Uhlopriečka zobrazovacej jednotky  | 80,0                             |   |     | cm              |
| 14. | Uhlopriečka zobrazovacej jednotky  | 32                               |   |     | palce (palcov)  |
| 15. | Viditeľná plocha zobrazovacej jednotky   | -                                |   |     | dm <sup>2</sup> |
| 16. | Použitá technológia panelu   | LED LCD                          |   |     |                 |
| 17. | K dispozícii je automatická regulácia jasu (ABC)   | Nie                              |   |     |                 |
| 18. | K dispozícii je snímač rozpoznávania reči  | Nie                              |   |     |                 |
| 19. | K dispozícii je snímač prítomnosti v miestnosti  | Nie                              |   |     |                 |
| 20. | Image refresh frequency rate (default)   | -                                |   |     | Hz              |
| 21. | Minimum guaranteed availability of software and firmware updates (from the date of end of the placement on the market) | -                                |   |     | Years           |
| 22. | Minimum guaranteed availability of spare parts (from the date of end of the placement on the market)                   | -                                |   |     | Years           |
| 23. | Minimum guaranteed product support   | -                                |   |     | Years           |
|     | Minimum duration of the general guarantee offered by the supplier  | -                                |   |     | Years           |
| 24. | Typ zdroja napájania   | interný                          |   |     |                 |
| 25. | External power supply (non standardized and included in the product box)   |                                  |   |     |                 |
|     | <i>i</i>   | -                                |   |     |                 |
|     | <i>ii</i>  | Vstupné napätie                  | - |     | V               |
|     | <i>iii</i>   | Výstupné napätie                 | - |     | V               |

|            |   |   |    |
|------------|---|---|----|
| 26.        | External standardised power supply (or suitable one if not included in the product box) |   |    |
| <i>i</i>   | -   |   |    |
| <i>ii</i>  | Požadované výstupné napätie   | - | V  |
| <i>iii</i> | Required delivered current (minimum)  | - | A  |
| <i>iv</i>  | Požadovaná frekvencia prúdu   | - | Hz |
