TECHNICAL DATA

EAN code	4058075461055	Brand	Ledvance
Number of light points	1	Type of glass	Transparent
Lamp socket	Built-in light source	Temperatura barwowa [K]	4000
Light colour	Neutral white	Power	50W
Energy class - (EU) 2019/2015	E	Luminous flux (lumen) [lm]	6000
Surface color	White	Supply voltage	230V
Binding type	Moveable	Shape	Rectangular
Mounting method	Mounting brackets	Water Protection class	IP65
Gwarancja	5		

PRODUCT DESCRIPTION

LED floodlight with motion sensor, with a power of up to 50 W, neutral white light and white color, is a high quality brand brand. LED luminaire is characterized by a high durability that goes hand in hand with a shapely and elegant appearance. LED floodlight emits 50 W lighting, 6000 LM light stream and a neutral white color light that faithfully reflects the colors of the subjects illuminated. motion sensor, which is attached to the lamp, has adjustable up to 350 °, and an inclination by 180°. In addition, it can be easily adjusted and adjust the light detection range and working time. Headlight has an aluminum housing and a matte lampshade made of tempered glass that provides even lighting. Light with sensor Thanks to the protecting IP65, it is resistant to dust and water, so that it can be used as external lighting. The floodlight works well wherever the need for a reliable and permanent light source.
