Number of light points	1	Material	Die-cast aluminum alloy
Lamp socket	GU10	Surface color	Black
Supply voltage	230V	Binding type	Moveable
Shape	Round	Mounting method	Flush-mounted (recessed)
Gwarancja	2		

PRODUCT DESCRIPTION

Round MIDI Ceiling Luminaire with a low height (only 20 mm) in Black from the renowned LUMILED brand adapted for surface mounting, made of high quality aluminum alloy. The luminaire is adapted to work with LED bulbs with GU10 socket with a maximum power not exceeding 50W. Luminaires from the MIDI series are used mainly as decorative or general lighting of a hall, corridors or elegant office rooms. Additionally, the MIDI luminaires are equipped with a movable inner ring thanks to which we can easily change the angle of incidence of light from the luminaires. The luminaires have an integrated socket for the holder with a GU10 thread, which allows for simple and quick installation of the bulb. Beautiful, minimalist design makes the luminaire fit into almost any interior arrangement.
